

**Ten Kittens  
G. A. Puckett**

The stories of the ten kittens told in this book are true to life. They have been gathered from here and there over the country. All the kittens have lived and played their little parts in the life history as told in each chapter. The purpose of this collection of stories is to create more interest and love for kittens on the part of our boys and girls. If these stories help someone to be kinder to little kittens, then the author's purpose will not have been in vain. - Summary by G A Puckett

**Read by James R. Hedrick. 11 Tracks. Total running time: 00:54:03**
